Notes for Editors

- The British Industrial Truck Association, BITA, is a substantial and dynamic trade association representing a membership of 82 fork-lift truck manufacturers, suppliers, service providers and media operating in the UK.
- BITA is the voice of the industry in matters technical and legislative at the highest levels in Europe and internationally. It enjoys a close working relationship with bodies such as the UK Health and Safety Executive, the European Committee for Standardization (CEN) and the International Standards Organisation (ISO).
- As a member of the British Materials Handling Foundation (BMHF) BITA is allied with the Fédération Européenne de la Manutention (FEM), the European manufacturers association of materials handling, lifting and storage equipment.
- BITA produces a wide range of specialist publications, encompassing best practice and health and safety assurance, as well as technical guidance notes and unique market insight. Its specialist committees include the Truck Suppliers Group (TSG), Technical Policy Committee (TPC), and the Component & Services Group (CSG) among many others.
- BITA members, including many international brands, manufacture and distribute over 90% of all new forklifts procured each year in the UK. They employ 7,000 people directly, and enjoy a combined annual turnover of £1.3bn. BITA members play an increasingly important role in the UK's overall economic health, supply chain effectiveness and environmental performance.
